Projects

Senior Capstone, A Practice and Submission Platform

August 2024 - May 2025

Collaborated with a team of 4 to develop a web application hosted on a Docker Container.

- Implemented functionality for professors to create, edit, and grade assignments, while enabling students to solve coding problems and receive feedback in real-time.
- Developed the frontend using React.js and Bootstrap and the backend with Node.js and Flask, integrating MySQL for data storage and retrieval.

EMPLOYMENT:

Teaching Assistant, Miami University, Oxford, OH

January 2025 – May 2025

Supported a class of up to 20 students with their Unreal Engine 5 coursework.

- Held tutoring sessions for any in-class projects with concepts including Blueprints, modelling with CubeGrid, the Geometry and Landscape Tools, and texturing with Materials.

Instructor, iD Tech, Remote

May 2024 - August 2024

Taught 40+ students in multiple subjects, including Unity with C#, Unreal Engine 4 and 5, Java, and Modding Minecraft with Java.

Fulfillment, Target, Aurora, OH

June 2022 - August 2022

Managed online order fulfillment and restocked shelves for accurate inventory and display.

EXTRACURRICULAR ACTIVITIES:

Miami Game Design Club Member

August 2021 – May 2025

Vice President (May 2022 – May 2025)

Led a team of around 20 members in development of around 25 full games in Unity and Unreal, delivering each game either in under 4 hours, or as part of a 3-week game jam.

Humanitarian Youth Preparation for Electronics Education

May 2023 – May 2025

Inventory Manager

Received the Bronze President's Volunteer Service Award for contributing over 100 volunteer hours towards refurbishing computers to donate to Africa Cries Out.

- Worked closely with club members to refurbish laptops, all-in-ones, and desktops, contributing to donations for underserved organizations, having refurbished over 140 computers.
- Organizes storage of donated PCs and technological equipment in an accessible manner.

Cybersecurity Club

August 2021 – May 2025

Membership Coordinator (May 2023 - December 2023)

Managed applications, maintained membership records, and handled club communications.

SKILLS:

C++, Java, JavaScript, Ubuntu, Python, Visual Studio Code, SQL, Microsoft Office Suite
